Reasons to Join the WMAFC

The Western Michigan Association of Fire Chiefs is dedicated to serving the fire officers and departments of Western Michigan. The WMAFC has been in existence since 1947. During that time we have earned a reputation as an organization that is forward thinking, available to its members, and aggressive in its efforts to support the fire service.

The approximate boundaries of WMAFC are shown in Gold. The boundaries follow US 10 from Ludington to US 27; then run south on US 27 to the Indiana line. Anyone may belong to any of the Regional Associations.
